

OASIS *h₂ome* Countertop Water Dispenser

Instant Hot & Thermoelectric Cooling Enabled

Get hot water
instantaneously!

TRITEMP LED LIGHTS

Shows red,
orange, blue
lights at point
of dispense

SAFETY PROTECTION

Intelligent
indicators and
suction feet

MODERN

Compact design,
ergonomic user
interface with
angled touch
screen

AIR PURIFICATION

Equipped with
negative ion generator
to purify air around
the cooler

ENERGY EFFICIENT

Consumes <3W/h
power when
not in use

Specification

- Rated Voltage/Frequency: AC 220V/50Hz +5-10%
- Total Power Rating: 2200W
- Hot Power Rating: 2135W ±10%
*only when dispensing hot water
- Cold Water Consumption: Less than 3W
- Dimension: W260mm x H305mm x L350mm
- Weight: Net 4.3kg/Gross 5.4kg
- Water Temperature
 - Hot water: 90-99°C
 - Warm water: 65-75°C
 - Cold water: lower than indoor temperature by 10°C
- Cooling Capacity: 0.7L/H <15°C
- Heating Capacity: Room temperature >25°C, 0.5LPM

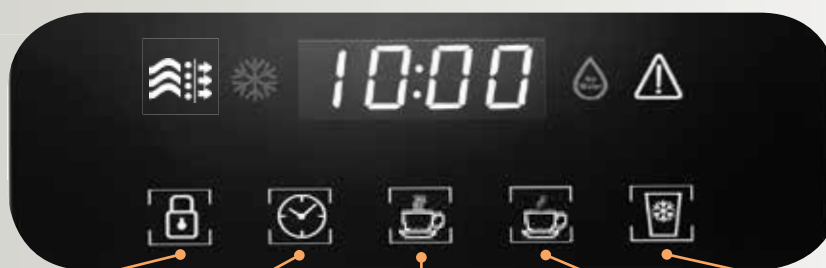

OASIS *h₂ome* Countertop Water Dispenser

Instant Hot & Thermoelectric Cooling Enabled

Functions

Five Touch Screen Buttons

CHILD LOCK

Press for 3-5 seconds until the light is on to lock the dispenser
To unlock, press 3-5 seconds

TIME SETUP

White LED indicates the time
Press 3 seconds to setup the timer
